# HARD SURFACE EXTRACTOR

by Ultimate Solutions

## SEE THE BENEFITS

### of the Sniper 1200 PSI Hard Surface Extractor

**Warranty:** Lifetime warranty on body, 2-years on vacuum motors, 1-year on pump and all electrical components, 90-days on all accessories.

- The one 2-stage and one 3-stage vacuum motors allow for 170" of water lift for efficient solution recovery that results in better extraction and faster carpet drying.
- High performance motors stay cool with an innovative air intake design that uses the vacuum's own cooling fans to pull cool, outside air over the motors, reducing motor temperature and preventing overheating. This allows for performance with less maintenance.
- Powerful 1200 PSI adjustable pump adjusts down to 400 PSI, providing the perfect pressure for cleaning everything from tile to concrete.
- 12-gallon solution and recovery tanks allow for quick and easy fill and dump disposal, reducing downtime. Auto fill and auto dump capability allows for constant working pressure from start to finish.
- Waist-high controls prevent bending and stooping to operate the machine. Adjustments can be made standing comfortably. The controls are recessed in the machine and stay protected during use, in transit or in storage.
- 10" non-skid, non-marking wheels make stair climbing easy and do not scuff floors.
- Roto-molded polyethylene tanks withstand the toughest working environments and resist dents, chips and cracks. They have a professional look with ultimate durability.

## APPLICATIONS

- A powerful and versatile portable extractor that is specifically designed for high-pressure cleaning of hard surfaces.
- With an adjustable 400 to 1200 PSI pump, you can clean tile, concrete, and everything in between!

## SPECIFICATIONS

**Model No:** 80-5000

**Capacity:** 12-Gallon Solution and Recovery Tanks

**Vac Motors:** (1) 2-Stage and (1) 3-Stage Lamb Ametek (Dual Motor)

**Solution Pump:** 1200 PSI (Adjusts Down to 400 PSI)

**Water Lift:** 170"

**Volts:** 110 / 120

**Amp Draw:** 19 / 16

**CFM:** 99

**Wheels:** 10" Transport Wheels

**Power Cord:** (2) 25-Foot, 12/3-Gauge Safety Power Cords

**Shipping Weight:** 150 lbs.

\* 230 Volt Model Available

## DISCOVER ITS VERSATILITY
