SEE THE BENEFITS of the Titanium Wand

Warranty: 1-year.

- Titanium and stainless steel construction, 60 inches long and 1.5 inches in diameter.
- Insulated 5.5 inch long medium durometer polymer grip for comfort.
- Industry leading 1100 PSI flow control valve.
- Fully adjustable black over molded metal handle for proper ergonomics.
- High-pressure solution hose with compressed fittings for long life.
- Double securing screws to maintain solid connection on down tube.
- Welded double ring "collar" on wand head to tube for additional strength and durability.
- Precision filters and tips to maintain clog-free operation and superior spray patterns.
- Low profile, 12 inch double wall head to fit under and around tight spaces.
- TFE replaceable glides for low friction movement when compared to conventional wands.

APPLICATIONS

- Designed for use with a Sandia Products Sniper 6- or 12-Gallon Carpet Extractor.
- Carpet Extractors dispense water, either hot or cold, into a carpet at various rates called PSI. The solution hose dispenses the water and the vacuum hose sucks the water out of the carpet.
- The titanium wand makes cleaning large carpeted areas easy and fast!

FAST, EFFICIENT, DEEP CARPET EXTRACTING
