HIPSTER HIP VACUUM
6-Quart Hip Vacuum Series

SEE THE BENEFITS

of the 6-Quart Hipster Hip Vacuum

Warranty: Lifetime warranty on body, 5-years on motor and all electrical components, 90-days on tools and accessories.

- Collects the most soils, leaving exhaust air cleaner with a disposable, heavy-duty paper micro-bag mounted inside a washable cloth shakeout bag.
- The innovative bag support plate keeps the bag from depleting airflow, allowing for constant power.
- A patented noise suppressing exhaust chamber makes the Hipster the quietest vacuum in its class.
- Lightweight design and four-way belt tensioner ensure maximum adjustability and comfort. The comfortable waist belt design reduces fatigue, making work easier.
- The reversible cap makes adjustment easy for both left- and right-handed use.
- Unbreakable stainless steel latches, impact-proof polyethylene body and a 1.5" industrial hose makes the Hipster durable and long-lasting.
- Includes an easy-to-reach On/Off power switch, quiet motor and 50-foot long safety power cord.

APPLICATIONS

- Designed for vacuuming carpet, hard floors and upholstery.
- Worn on the hip to allow for easy and quick vacuuming while walking. Ideal for hallways, and commercial spaces.
